

Function	Signal	Model No.	Description	Picture	Application	Output Drive Distance	Size/ Mounting
QikConnect kits (pack)	VGA/Component	TPY311	Transmitter-Receiver Pair		Connect a PC to a projector or plasma without power at the transmitter.	200-ft (60m)	Ultra Compact
		TPY312	Transmitter-Receiver Pair		Connect a PC to a projector or plasma with USB power at the transmitter.	330-ft (100m)	
		TPY315	CAT5 Transmitter/Receiver		Basic computer video extender pair.	500-ft (150m)	Compact
		TPY317	AV Extenders		For longer cable runs of computer video.	Skew Adj 1000-ft (305m)	
		TPY321	UTP Extender Pair for Video + Audio		Connect a centrally located source to remote displays.		
		TPC341	CAT5 Transmitter/Receiver		Connect a DVD player to a Plasma up to 500-ft away.	500-ft (150m)	
		TPY351	Transmitter-Receiver Pair		Basic computer AV extender pair.	Skew Adj 1000-ft (305m)	
Twisted-Pair Transmitters	VGA/Component	TTY111	CAT5 Transmitter		Send computer video to a projector.	200-ft (60m)	Ultra Compact
		TTY115	UTP Extender Transmitter		Transmitter computer video up to 1000-ft.		Compact
	TTY121	CAT5 Transmitter		For transmitting computer video over long cable runs.	1000-ft (305m)		
	TTY141	AV Extender Transmitter		Send component video to a HDTV.	1000-ft (305m)		
	TTY134	1x4 CAT5 Transmitter		Distribute computer video + audio to up to 4 LCDs, Plasmas, or Projectors		Compact / Rack	
	TTY138	1x8 UTP Extender Transmitter		Send VGA to up to 8 displays.			
	TTY155	5 Pack AV Extender Transmitter		Send 5 channels of computer video + audio to 5 remote displays.	1000-ft (305m)		Rack
Twisted-Pair Receivers	VGA/Component	TRY211	UTP Extender Receiver		Receive computer video on a projector.	260-ft (60m)	Ultra Compact
		TRY215	CAT5 Receiver		Receive component video on a plasma.		Compact
		TRY216	Dual Output CAT5 Receiver		Receive computer video on 2 displays.	500-ft (150m)	
		TRY315	CAT5 Receiver		Receive video over long cable run.	Skew Adjustment	
		TRY316	Dual Output UTP Extender Receiver		Receive computer video and display on 2 Plasmas.		
		TRY319	CAT5 Receiver w/ Repeater		Receive and display and then daisy chain with another receiver.	1000-ft (305m)	
	VGA/Component + Audio	TRY221	AV Extender Receiver		Receive computer video with audio on an LCD up to 500-ft away from its source.		
		TRY222	Dual Output CAT5 Receiver		Receive computer video + audio on 2 displays.		
		TRY229	UTP Extender for Video + Audio w/ Repeater		Receive and display video + audio and then daisy chain with another receiver.		
		TRY251	AV Extender Receiver		Receive computer video with audio on an LCD over longer cable runs.	Skew Adjustment	
		TRY252	Dual Output CAT5 Receiver		Show computer video + audio on 2 displays.		
		TRY259	UTP Extender for Video + Audio w/ Repeater		Receive and display video + audio and then daisy chain with another receiver at great distances.	1000-ft (305m)	
TRC241	AV Extender Receiver		audio and display on a HDTV up to 500-ft away.	500-ft (150m)			

All Distances based on UXGA 1600 x 1200 resolution
